

Collingtree Park

Northampton - Phase 2a

Our name has been synonymous with building since 1885, when Charles William Bovis bought a construction company in the London Borough of Marylebone and changed its name to CW Bovis & Co.

From those foundations has grown a Bovis heritage to be proud of, including quality homes and communities across Britain.

Welcome to Collingtree Park

The next phase of our stunning development includes brand new 3, 4, 5, 6 and 7 bedroom family homes and is enviably located in a highly sought after area, adjacent to the golf course.

Collingtree Park enjoys beautiful countryside views whilst also being less than 5 miles to the centre of Northampton, the perfect combination of urban life and peaceful countryside.

A taste of local life

Collingtree is a beautiful Northamptonshire village surrounded by stunning countryside. The village has a real sense of community and the golf course is at the heart of the picturesque location.

Location

Collingtree Park is located on the desirable south side of Northampton, which is a very sought-after location. 4 miles will take you directly to the centre of the town, while access to the M1 is less than 2 miles from the development. Collingtree Park's ideal location means that Milton Keynes and Daventry are less than 16 miles away, while Towcester is just 10 miles away.

Northampton runs regular trains directly into London Euston taking around an hour. Alternatively, a drive to Milton Keynes will mean you can take a train that will get you into the City in less than 40 minutes. Heading north, the train takes about 1 hour 10 mins to Birmingham New Street and just under an hour to Birmingham International Airport.

Entertainment and leisure

About one mile away from Collingtree Park is a Tesco Express for all essentials, while two miles away in Wootton you'll find a Waitrose, and a Tesco Extra store. Northampton town centre offers a great mix of national retailers, smaller independents and several designer boutiques, as well as weekly general markets and a monthly farmers market. The Grosvenor Shopping Centre has more than 60 stores and the town also offers well-known outlets at Nene Valley Retail Park.

You'll discover many things to do nearby to keep the whole family entertained, including stately homes, Michelin star restaurants and theatres. You can unwind at a spa or stay active with tennis, golf or cricket. The Hilton Health Club and Virgin Active both have great facilities, from a swimming pool and spa to a well-equipped gym. There is a pub and a restaurant in the village and many popular pubs and bars in the town of Northampton. At weekends, explore the countryside with many great walks close by and the Grand Union Canal is just a stone's throw away.

Education

Collingtree has a Church of England Primary School which is only half a mile away. It caters for pupils from reception to year six. For senior pupils there is Caroline Chisholm School two miles away at Wootton, or Northampton High School for girls is two and a half miles away. There are also several other local state and independent schools for children of all ages in the surrounding area.

Development layout

Phase 2a of Collingtree Park boasts a stunning range of three to seven bedroom homes each with unique views and aspects. Discover your dream home today.

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. That's why we are proud to have developed and launched our new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining the classic architectural traditions on which Bovis Homes has built its heritage and brand since 1885.

An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included to create spacious, sociable living areas, while attention to master bedrooms and en suites has given the homes added desirability.
