Welcome to Spring Vale

This exciting new development is on the outskirts of the historic market and spa town of Knaresborough in beautiful North Yorkshire and just half an hour's drive from both the city of York and the Yorkshire Dales National Park.

It's less than one mile from Spring Vale to the town centre in its stunning cliff-top location overlooking the pretty River Nidd and the majestic Victorian railway viaduct.

In Knaresborough's medieval streets and cobbled alleyways, you'll find an array of local shops and services alongside pubs and restaurants and a bustling weekly market. The out-of-town St James' Retail Park offers leading chain stores and the town also has a theatre, swimming pool and several sports clubs.

Knaresborough medieval castle and museum, historic Mother Shipton's Cave, pretty riverside paths and nearby Nidd Gorge are popular attractions.

The A59 links the town to Harrogate, 5 miles away and York, 18 miles, with junction 47 of the A1 Motorway about 4 miles.

Trains run from the town's railway station to Harrogate, Leeds and York and buses provide local services. For air travel, Leeds Bradford Airport is only 17 miles away.

Our range of x,x and x bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, stylish fitted kitchens, bi-fold doors and spacious master bedrooms with en suites.

So, if you're looking for a quality new home in an idyllic North Yorkshire town your search ends here!

The perfect position

Education for everyone

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.

So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your master bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown in this leaflet is correct at the time of going to press. Bovis Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details. Photographs depict a typical Bovis Homes interior and may include optional upgrades. For full details regarding current specification and finishes, for the plots you are interested in, please refer to our sales consultant.
