Homes** 

Welcome to Northstowe

The impressive new development boasts some of the first homes in the exciting new town of Northstowe, five miles from Cambridge and within easy reach of the Cambridgeshire Guided Busway.

With shops, local services, health, education and leisure facilities, Northstowe will be a complete community with a network of cycling and walking routes, plus a new link road connecting the town centre to the A14.

Northstowe is ideally placed for Longstanton Park and Ride and the Cambridgeshire Guided Busway that links Northstowe with Huntingdon, St Ives and Cambridge. Buses run regularly between Northstowe and Cambridge.

A new access road connects the town to the A14, which joins the A1(M), the M11 and goes east to Ipswich. Train services run from Cambridge to London's Kings Cross and Liverpool Street stations in just over an hour. For air travel Stansted Airport is just 36 miles away, or Luton Airport - 47 miles from the development.

Northstowe will have a buzzing town centre with a range of retail outlets all designed around an attractive, open-plan square. The nearby villages of Longstanton and Willingham have local shops, a post office and convenience stores and there's a 24 hour Tesco Extra four miles away at Bar Hill.

For city shopping it's a short trip by The Busway or car to Cambridge with its colourful, daily markets, independent retailers and three shopping centres. The Grand Arcade

with its flagship John Lewis has 60 famous name stores and the nearby Lion Yard Shopping and The Grafton provide more choice. If you fancy some retail therapy in Oxford Street, London is just over an hour by train.

Northstowe is being designed so that leisure and sports facilities are never far away. There will be civic spaces, sports facilities, play parks for all ages, cycle paths and walkways which are key features within the town. Currently you'll find many sports and leisure activities in nearby villages, from tennis and bowls to martial arts and ballroom dancing.

There's a community sports centre at Swavesey Village College, while Impington Sports Centre has fitness classes, a gym, sports and a swimming pool. In Cambridge you'll find something for everyone with cultural tours, history, music, festivals, restaurants, cosy pubs, theatre and cinema. Go Punting on the River Cam, listen to the choir at King's College, or visit one of the city's museums or art galleries.

Our homes in Northstowe include popular features such as open-plan living areas, stylish fitted kitchens, bi-fold doors, higher ceilings and spacious master bedrooms with en suites.

So if you're looking for a quality new home in this sought after location your search ends here!

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations mean peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
