Your place on the map

**Warwick Gates** is an attractive development of brand new homes on the edge of the historic town of Warwick. Alongside new homes, the development will feature a local hub with shops and community facilities as well as public open space and children's play areas. There is further potential for allotments, foot and cycle paths, and open space for sport.

These new homes have been designed to complement existing the local area and suit today's modern lifestyle. So if you're seeking a superb new home close to an historic county town, **your search ends here.**
