

# Coronation Fields Development update

Issue 1 | March 2024

## Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

### Overview

- Coronation Fields development will deliver 140 new homes.
- The development will benefit from a local equipped area of play (LEAP)
- Half of the development has been designated as a suitable alternative natural greenspace (SANG) and provides pedestrian links to existing open space and alternative SANG land.

### Site activity

- Construction works are currently progressing at both ends of the site to deliver both private and affordable housing.
- Final planting works are happening in the on-site SANG area

## Timeline

- The first completions on the development took place in December 2023. The final completions are anticipated for summer 2026.
- Our show homes and marketing suite are currently open to the public and are located at the front of development. Please see our website for opening hours.
- The LEAP which is located in the centre of the development will be open by the end of 2024. The formal opening of the SANG area is due to take place in summer 2024.
- A second entrance to the development (off Park Lane) is due to be completed by winter 2025/2026.

## Managing agent

- Vistry have appointed Trinity Estates Management Limited as Managing Agent for the development.
- The Management Company name is Hogwood Park Estate Management Company Limited
- Vistry will transfer areas of managed land on a phased basis by Summer 2026

## Ecology

- We have installed a range of ecological enhancements across the development including the planting of numerous new trees and planting, as well as initiatives such as hedgehog highways, that are designed to allow hedgehogs to travel through gaps in fences throughout the development.
- We are also carrying out a programme of installation of bird and bat boxes throughout the development
- Future proposals being worked on include the implementation of other measures to benefit dormice and other mammals.

## Services

All of our homes on the development are served by gas, electricity, water, Openreach telecommunications and broadband.
