A taste of local life

**Bovis
Homes** 

Welcome to Windsor Arch

This quality new development is on the outskirts of the historic Berkshire town of Windsor – where His Majesty The King has one of his official royal residences, the impressive Windsor Castle.

Windsor is famed for being home to the world's oldest and largest inhabited castle and is close to the beautiful River Thames. The town sits within the Royal Borough of Windsor and Maidenhead and boasts a wealth of attractions, shops, restaurants and bars. You'll also find plenty of local services, parks, leisure and sports facilities, schools and convenient transport links to London and Heathrow Airport.

Watch the colourful, British spectacle of Changing the Guard, take a relaxing stroll around Windsor Great Park, or enjoy a flutter at nearby Royal Windsor Racecourse or a fun-filled trip to Legoland.

A home at Windsor Arch provides excellent road, rail and air links. Junction 6 of the M4 is about 3 miles away and 11 miles on you'll find Heathrow Airport, while the capital is 26 miles.

Windsor and Eton Central Railway Station is 2.5 miles from Windsor Arch and runs services to Slough, 5 miles away, from where trains run to Reading, London Paddington and Oxford. The Windsor and Eton Riverside station, also 2.5 miles, has services direct to London Waterloo taking just under an hour.

Our range of 1 & 2 bedroom apartments and 2, 3, 4 and 5-bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, bi-fold doors and spacious master bedrooms with en suites.

So, if you're looking for an impressive new home in 'London's country estate,' with royal residents, your search ends here!

The perfect position

Education for everyone

From the ages of 9 to 13, children attend one of the town's middle schools, the closest to Windsor Arch being Dedworth Middle School, less than a mile away and St Edward's Royal Free Ecumenical Middle School. Trevelyan Middle School is 2.4 miles. At age 13, pupils move to upper schools with Windsor Boys' School and Windsor Girls'

School catering for single sex students aged up to 18. Outside Windsor you'll find Sir William Perkins's School, a secondary for girls in Chertsey and the Halliford School for boys aged 11 to 18.

Windsor has a range of independent schools including the famous Eton College, a charity and independent boys'

boarding school for pupils aged from 13 to 18. St George's School Windsor Castle, dating back to 1348, takes children from 3 years in its Kindergarten, up to aged 13. The mixed Eton End, is a prep school for children aged 3 to 11, while Highfield Prep School in Maidenhead, takes girls aged 3 to 11 and boys from 3 to 7.

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions

An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living.

With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on bedroom 1 and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.
