

Hampton Water

Development update

Issue 7 | Autumn 2025

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Hampton Water provides a collection of 1 – 5 bedroom homes ideally situated between The Beeby's West Lake and The Beeby's East Lake.

This development comprises of several phases, and we are currently over 95% complete in the final phase.

Site activity

- Current build progress is 95% and is on its final phase, with all homes completed.
- Topping roads across phase 1 and 2 in late September and to be finished by the end of October.
- All roads and main drainage are installed.
- Footpaths around Hampton Water will be topped in September.
- All homes are now sold at Hampton Water and the sales office is now closed.

Timeline

- All homes at Hampton Water have been sold.
- Our Sales Centre is now closed.
- Hampton Water is one of four flourishing village communities located just 5 miles South of Peterborough. Hampton Water benefits from wetlands, waterside experiences, Hampton Country Park, a cricket pitch, and a new primary school and neighbourhood centre.

Managing agent

- Hampton Estates are responsible for collecting an estate charge on behalf of O&H Limited for the maintenance of public open spaces on the wider estate. This charge is applied to all plots on the development.
- Alexander Faulkner Partnerships (AFP), owned by FirstPort Property Services are acting as managing agents for maisonettes and apartments only. A separate additional charge is applicable to the maisonettes and apartments.
- Please refer to the Development Information document for the full breakdown of services & charges.

Ecology

The Biodiversity Strategy has been developed to provide biodiversity opportunities and enhancements within the development.

There are several bird and bat boxes installed on site. Please speak to your Sales Consultant for more information on exact locations.

Services

- The water board: Anglian Water
- Gas and Electric supplier: Eon & British Gas
- Fibre: OFNL

Please refer to the list of all current OFNL suppliers following the link:
