

Bovis Homes at Quantum Fields

Development update

Issue 1 | Spring 2024

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Bovis Homes at Quantum Fields provides a collection of 2, 3 & 4 bedroom homes. Quantum Fields is nestled in the heart of rural Cambridgeshire, just a stone's throw away from the ancient city of Ely.

This development will have proposed future phases.

Site activity

- Construction is progressing on phase 1 with over 75% now complete.
- All roads are now in place; topping of the roads is planned to be carried out at the end of the development.
- Play areas are estimated to open in approximately a year's time
- On phase 1 Bovis Homes will be building 110 homes, and is part of a larger consortium development consisting of 316 homes.
- Please refer to page 5 to view the overall masterplan of this development.

Timeline

- First completions have taken place in 2023 with 31 homes now moved in.
- The Show Home is available at this development – The Chestnut.
- The View Home is available at this development – The Spruce.
- Our Sales Centre is open and located between the show home and view home.
- Bovis Homes at Quantum Fields is located in Littleport. Littleport boasts an array of local shops, takeaway restaurants, leisure facilities, and an Ofsted-rated primary school just steps away from Quantum Fields.
- More information about the development can be found here:
<https://www.bovishomes.co.uk/developments/cambridgeshire/quantum-fields-littleport>

Managing agent

- There is no Managing Agent at this development and subsequently there is no annual maintenance fee
- Local area maintenance will be taken over (i.e. adopted) by the local council at the end of the construction on the development

Ecology

The Biodiversity Strategy has been developed to provide biodiversity opportunities and enhancements within the development.

In support of the wildlife, we have included hedgehog highways throughout our development. The highways are marked with a plaque and included in selected gardens and are designed to allow access between gardens and wilder areas. To review the location of the highway access, please refer to the site map available upon request from your Sales Consultant.

Quantum Fields development was selected to take part in The Pollinate in Partnership (PiP) initiative in 2024.

The PiP initiative seeks to increase the number of wildflowers and pollinator friendly plants across our sites to support bumblebees and other pollinators. This includes selecting specific plants in our landscaping areas, having dedicated wildflower areas and encouraging residents to plant pollinator friendly plants within their gardens. Working with the Bumblebee Conservation Trust we will be actioning a number of specific activities throughout the year at Quantum Fields.

Services

- The water board: Anglian Water
- Gas and Electric supplier: British Gas
- Fibre: Openreach
