

## Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

### Overview

Bovis Homes at Quantum Fields provides a collection of 2, 3 & 4 bedroom homes. Quantum Fields is nestled in the heart of rural Cambridgeshire, just a stone's throw away from the ancient city of Ely. On phase 1 Bovis Homes has built 110 homes, and is part of a larger consortium development consisting of 316 homes. Phase 2 is expected to launch in 2026.

### Site activity

- Phase 1 now 75% complete for Bovis Homes and 80% complete for Linden Homes.
- Construction compound will scale back once all plots have had roofs installed.
- Roads in place will be topped as the site concludes. Front section of Quantum Fields to have footpaths completed to new council specification over the course of 2026.
- Seeding of the large area of play between phase 1 and 2 to begin end of summer 2026.
- Community Centre to begin build by council on June 26th and completion early 2027
- Please refer to page 5 to view the overall masterplan of this development.

## Timeline

- Sales Centre is now open in a mixed office with our sister-brand – Linden Homes.
- The Show Home - The Chestnut and the view home – The Spruce is available at this development.
- Bovis Homes at Quantum Fields is located in Littleport. Littleport boasts an array of local shops, takeaway restaurants, leisure facilities, and an Ofsted-rated primary school just steps away from Quantum Fields.
- More information about the development can be found here:  
<https://www.bovishomes.co.uk/developments/cambridgeshire/quantum-fields-littleport>

## Managing agent

- There is no Managing Agent at this development and subsequently there is no annual maintenance fee
- Local area maintenance will be taken over (i.e. adopted) by the local council at the end of the construction on the development

## Ecology

The Biodiversity Strategy has been developed to provide biodiversity opportunities and enhancements within the development.

In support of the wildlife, we have included hedgehog highways throughout our development. The highways are marked with a plaque and included in selected gardens and are designed to allow access between gardens and wilder areas. To review the location of the highway access, please refer to the site map available upon request from your Sales Consultant.

Quantum Fields development was selected to take part in The Pollinate in Partnership (PiP) initiative in 2024.

The PiP initiative seeks to increase the number of wildflowers and pollinator friendly plants across our sites to support bumblebees and other pollinators. This includes selecting specific plants in our landscaping areas, having dedicated wildflower areas and encouraging residents to plant pollinator friendly plants within their gardens. Working with the Bumblebee Conservation Trust we will be actioning a number of specific activities throughout the year at Quantum Fields.

## Services

- The water board: Anglian Water
- Gas and Electric supplier: British Gas
- Fibre: Openreach

- 1 bedroom homes
- 2 bedroom homes
- 3 bedroom homes

- v visitor space
- bcp bin collection point
- ss substation

The site plan shown on this page has been produced for home identification purposes only and is not to scale. The development layout, landscaping and tenure of all dwellings may be subject to change throughout the course of the development. Homes shown as "pre sold" and other properties sold on the general market may not be sold to individual owner occupiers and may instead be transferred to other purchasers, including private investors or affordable housing providers. As partner arrangements are agreed, the mix of tenures across a development can change significantly and rapidly. Finishes and materials may vary from those shown. Please check the details of your chosen plot and house type with the sales consultant. Development layout plan correct at time of production.

Please be aware that the dates and information provided are correct at time of print and are dependent on a number of factors, including weather, so are subject to change.

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:

# Our commitment to you

## Quantum Fields, Littleport

### How will the development benefit the local community?

Bovis Homes, Linden Homes and a Joint Venture partner will be contributing more than £4 million of investment for Littleport and the surrounding area as part of our new homes development and Section 106 planning agreement with the local authority.

*\*£900,000 contribution towards the community centre includes construction as well as the land provision*
