

The Pastures Development update

Issue 5 | Spring 2026

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

The Pastures, Bideford

We are creating 550 new two, three, four and five bedroom homes off Clovelly Road in Bideford, close to the seaside village of Westward Ho!

The development will also feature three play parks, a multi-use games area, a football pitch, a sports changing facility, and areas of green open space. Plus, air source heat pumps are being installed in every home. In addition, part of the site will be offered to Devon County Council for a potential new school.

The sales centre is open and there are both 3 and 4 bedroom show homes available to view.

Services

The current service providers are:

- GTC (electric and water)
- BT and Hyperoptic (broadband)

Managing agent

The managing agent is Gateway and the management company is called The Pastures (Bideford) Management Company Limited. You will receive additional communication from them directly.

Development layout plan

The Pastures is supporting the local community by contributing over £3.16m towards:

- libraries
- highways
- early years education
- primary education
- bus services
- allotments
- pedestrian and cycle routes
- additional education

Site activity

- Work started on site in November 2023 and the development is due to be completed at the end of 2030.
- Detention basins will be constructed on site to hold any excess surface water. The water will be held in the basins and released at a reduced speed.
- The mains drainage is connected and the Western pumping station is connected and commissioned; this serves 347 homes in the first phase. The homes towards the front of the development will use gravity for drainage and will not use a pumping station.
- Linden Homes are also now selling at The Pastures.

Please be aware that the dates and information provided are correct at time of print and are dependent on a number of factors, including weather, so are subject to change. The above site plan has been produced for home identification purposes only and is not to scale. The development layout, landscaping and tenure of all dwellings may be subject to change throughout the course of the development. Finishes and materials may vary from those shown on the plan. Please check the details of your chosen plot and house type with the sales consultant. Development layout plan correct at time of production.

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
