

The Tors

Development update

Issue 1 | Spring 2024

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

The Tors development comprises a Tenure of 2-5 bed detached, semi-detached, Terrace & Coach House Apartments, this development will provide 240 new homes with the following features :

- 69 affordable homes.
- A Play Area to the North-West of the development with Public Open Space to the South-East.
- Infiltration basins.
- External Fused spurs to facilitate future EV charging where possible.
- Energy Efficient Homes with noticeable Carbon reduction features.

Site activity

- Site progressing well with currently released plots ready for kitchens, tiling and decoration.
- Next stage of significance for the project is the connection of electricity and installation of a new substation for Phase 2B.

Specific item –

Utility Connections

- Electric mains connection pending approval of third-party landowners, this will not affect our customers residing at plots 160-195, 198-231 & 238-242.
- Overhead National Grid cables will be removed.

Timeline – Build To Complete 20 open market plots to complete for year end

- Important dates: - First completion May 24
- Show home complete
- POS to complete end of phase 2a
- 50 percent of roads are in

Managing agent-

The managing Agent for The Tors is Gateway Property Management. Key responsibilities include:

- Carry out maintenance and other related property services.
- Follow best industry practice signing a contract with and being accountable to company.
- Carrying out health & safety and fire risk assessments.
- Organising contracts (such as grounds maintenance).

Each phase of development will be handed to Gateway Property Management 6 months from the final home completing.

Ecology

- Badgers are present onsite and use the Public open spaces for foraging.
- A badger tunnel has been constructed beneath the main spine road to help the badgers cross the development safely.
- Construction areas are fenced off to protect the badgers from harm.
- Hedgehog highways have been provided where possible within plot back gardens, please ask sales executive for further information.

Services

- The initial billing of Gas and Electric will be through British Gas.
- Your home has an Openreach line terminating in a network termination socket. You should contact your chosen landline / internet service provider for this to be activated.
- Water billing mains water supply will be billed through South West Water.
- Surface water & Foul sewerage will be billed via Icosa Water Services Ltd an appointed company under OFWAT https://www.ofwat.gov.uk/wp-content/uploads/2017/06/ic_lic_IcosaWater.pdf
- Where possible homes have been provided with an external fused spur to facilitate future EV charging points within the curtilage of the property and will pay for the electricity used through their electricity bill.
