BEXHILL-ON-SEA

A DEVELOPMENT OF 2, 3,  
4 & 5 BEDROOM HOMES

## Welcome to **THE GATEWAY**

This exciting new development is on the outskirts of the charming East Sussex seaside town of Bexhill-on-Sea, famed for its history, architecture and stunning coastal views.

Home to the first British motor race in 1902, Bexhill is a 'cosy' town with independent shops, quality restaurants, schools and a range of sports clubs and facilities. The stunning Grade 1 listed art deco De La Warr Pavilion, is a leading contemporary arts centre and the King George V Colonnade is home to shops, a café and live music.

As well as its wide promenade and gently sloping beach – a favourite haunt of fossil-hunters – the town has a host of attractions. You'll find Bexhill Museum, the peaceful Egerton Park; High Woods reserve, a Site of Special Scientific Interest, as well as sailing, rowing and sea angling clubs.

It's just 8 miles from the site of the 1066 Battle of Hastings and close to the High Weald Area of Outstanding Natural Beauty. Historic Hastings is only 6 miles to the east on the A259, and Eastbourne 16 miles to the west.

The A21 from Hastings links to the M25 for London. Trains from Bexhill run to London Victoria, Gatwick Airport, Brighton, Ashford International, Eastbourne and Hastings. For flights, Gatwick is less than 60 miles.

Our range of 2, 3, 4 & 5 bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, stylish fitted kitchens, French doors and spacious master bedrooms with en suites.

So, if you're looking for a quality new home with excellent facilities close to the sea in East Sussex, your search ends here!

# THE NEXT GENERATION

You'll find several primary schools and a number of independent prep and senior schools in the area. Within approximately 1 mile of The Gateway there are four primary schools, taking children from 4 to 10 years. The nearest is St Mary Magdalene Catholic Primary.

For senior students Bexhill Academy is a secondary school, catering for 11 to 16-year-olds and is 1.7 miles away. Bexhill Sixth Form College rated 'outstanding' is less than 1 mile, taking students aged 16 to 18 and boasts a wide range of A level and vocational courses.

# LOCAL AREA

Bexhill-on-Sea is in the heart of 1066 country – just a few miles from the site of the Battle of Hastings in the East Sussex countryside. Its position on the sunny South East coast between Hastings and Eastbourne, with its far-reaching sea views, makes it a popular tourist destination.

The local area also has many impressive claims to fame including being home to the world's smallest dinosaur and the site where the world's oldest

spider web - at 140 million years - was found encased in amber.

More recently the town achieved another world record for having the greatest number of mermaids in one area – 325 – during its Annual Festival of the Sea. It also once hosted the largest Charleston Dance during its annual Roaring '20s festival staged in the summer, an event with entertainment, dance and music that attracts thousands of visitors.

## So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your master bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown is correct at the time of production. Bovis Homes is continually reviewing and updating the specification on all house / apartment types and therefore reserves the right to change specification details. Photographs depict typical Bovis Homes interiors and may include optional upgrades. For full details regarding the current specification and finishes, please speak to our sales consultant.
