- Full details can be found in the Management Company Welcome Pack.

## First Homes

- Hollin Bank will feature 5 units sold under the Government's First Homes scheme
- First Homes is a new scheme designed to help local first time buyers and key workers onto the property ladder, by offering homes at a discount of 30% compared to the market price. The discounts will apply to the homes forever, meaning that generations of new buyers and the local community will continue to benefit every time the property is sold.
- Eligibility Criteria applies. Purchasers of First Homes must be first-time buyers and must have a household income not exceeding £80,000.
- Purchasers will need to use a mortgage or home purchase plan for at least 50% of the purchase price of the home.
