

# Boorley Park

## Development update

Issue 1 | Spring 2024

## A BIG Hello and Welcome

Whether you are thinking of making Boorley Park your new home, those are eagerly waiting to move in or those already enjoying their new home, we would like to welcome you to the latest copy of the Boorley Park Development Update.

We take our responsibility to our customers, past, present, and future, very seriously. We hope it will be useful to you all, whether that be to help you decide if this is the right place for you and your family or to keep you informed and updated as a purchaser and resident of a brand-new home.

As this beautiful community develops and grows, we hope this newsletter will become the oracle of information. We will keep you up to date on the key milestones for the works on site and provide details on the progress of future amenities

### Overview

Not just houses but great places to live! Boorley Park offers some fantastic local amenities.

- Community building with fantastic facilities – Open now
- Brand new Primary School - opened 2019
- Open Green Space for all to enjoy, including multi use games areas, two youth zones and trim rail, community orchards and 1.9 hectares of allotments which is now open!
- Sports pavilion and playing fields - Open

## Site activity

- We anticipate that all the building works on the final phase of homes will be build complete and ready to move into this Summer 2024.
- To support the completion of these home the finishing of the access roads, associated signage and landscaping mid Summer 2024
- The responsibility for the upkeep and maintenance of informal open space to the management company by the end of this Summer 2024.

## It's not just people who think this is a great place to live...

Our wildlife residents are just as important to us as the human ones.

- We are committed to supporting our wildlife residents and are proud to be contributing £291,000 to support nature conservation across a number of sites of importance for nature conservation(SINC). This sum will go towards ecological monitoring & management of the Highland Lane Woodland area & Pylands Lane Woodland & open space.
- We have planned plenty of informal and areas of semi natural areas & provided protected green open space & semi natural areas throughout the development providing nature highways
- We have committed with the Council for tree preservation & maintenance across the development and to cover adjacent land.
- Our homes have been designed with Hedgehog highways and bird and bat boxes, providing some of Britain's most well-loved natives habitat. In addition, we have contributed a further £6,600 to assist in the creation and protection of habitat for Bats within the nearby Manor Farm Country Park.

## Introducing your Managing Agent

Gateway Group Property Management have various responsibilities within this development. These Include: overseeing gardening and landscape maintenance, maintenance of highways and footpaths that have not been adopted by the local council. Full details of Gateways scope of management can be found on our website.

# Development layout plan

## How will the development benefit the local community?
