- Fitted as standard - included in the property
- Subject to stage of construction

This specification indicates, by means of a dot (■), the items that are included within the home. If there is no dot in a column, the item is not included. Any item not expressly listed or indicated within this specification is excluded from the standard build. For information on the Select upgrade options available depending on build stage, please speak with a sales consultant.

So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your master bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown is correct at the time of production. Bovis Homes is continually reviewing and updating the specification on all house / apartment types and therefore reserves the right to change specification details. Photographs depict typical Bovis Homes interiors and may include optional upgrades. For full details regarding the current specification and finishes, please speak to our sales consultant.
