Welcome to Artemis View

This exciting new development is on the edge of the historic Kent seaside resort of Margate, a town that combines traditional charm with contemporary culture.

Margate's iconic sandy beaches, vintage amusement park, seafront restaurants, Harbour Arm and Turner Contemporary art gallery, are about 2 miles away. You'll also find Old Town boutiques, pubs and theatres alongside many local services and businesses.

From Artemis View you're within a 15-minute walk of the Westwood Cross Shopping Centre and Retails Park that provide an array of leading retailers, supermarkets and a cinema. Pretty Dane Valley Woods nature reserve is only a few minutes' drive and Margate has play parks, a skatepark and leisure centre.

Our range of 2, 3 and 4 bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, stylish fitted kitchens, bi-fold doors and spacious bedrooms with en suites.

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
