Welcome to Pippins Place

This exciting new development is nestled on the edge of the pretty village of West Malling in Kent - the county famed as being the Garden of England – and only an hour by train to London.

Pippins Place is a picturesque new development surrounded by established hedgerows and trees. With its own 9 acre country park, plus lots of green open space, you really get a sense of country living with the added benefit of excellent transport links.

Located within walking distance of the traditional market town of West Malling, with shops, artisan cafes, restaurants, pubs, a monthly Farmers' Market and numerous leisure and sports clubs including Kings Hill Sports Park. There are a number of Primary schools, two train stations and community facilities all within the local area.

You'll find a wealth of historical and natural attractions around West Malling, including 900-year-old Malling Abbey, peaceful Manor Park and The Cascade, an ornamental waterfall featured in a Turner painting. Not to mention the country park on the edge of your own development!

Pippin's Place is just off the A20 and via the A228, gives access to Junction 4 of the M20, leading to Folkestone and also the M25 and M26 Junction 2a. Trains run regularly to London Victoria from both East and West Malling stations plus the high speed train from Ebbsfleet station about a 30 minute drive away.

Gatwick airport is around a 45 minute drive and Stansted airport is just over an hours. Folkstone Eurotunnel and Dover port are about an hour away.

Our range of 3, 4 and 5-bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, stylish fitted kitchens, bi-fold doors and spacious master bedrooms with en suites.

So, if you're looking for a quality new home in an historic Kent setting just an hour from London, your search ends here!

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions

An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our exclusive housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living.

With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on bedroom 1 and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.

So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown in this leaflet is correct at the time of going to press. Bovis Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details. Photographs depict a typical Bovis Homes interior and may include optional upgrades.
