

Bovis Homes @ Priors Hall Park

Development update

Issue 1 | Summer 2024

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Bovis Homes at Priors Hall Park consists of 151 2, 3, 4 & 5 bedroom homes within a larger consortium development close to Corby.

Located in the northern area of Northamptonshire, Corby is a growing town with plenty to offer. The new homes are just an eight-minute drive to the town centre, which has a good range of shops. You can also get the number 2 bus which takes as little as 20 minutes.

About Priors Hall Park Project & Community:

The wider Priors Hall Park project, which is being delivered across three zones on a 907-acre site by a consortium of housebuilders, is set to bring 5,325 new homes, alongside new schools, shops, community facilities, open spaces and sports pitches.

Site activity

- Construction is progressing in accordance with the schedule, estimated as 10% build completion on site
- Mains have been installed on the Spine Road through the development.
- Storm and foul drainage systems have been installed but will not be live until the end of April 2024.
- Show homes and sales centre opened July 2024.

Timeline

- First homes completed in June 2024, with 11 homes now move into.
- Show and View homes opened July 2024 – The Yew and The Aspen.
- Sales Centre is open at the development
- More information about the development can be found here: <https://priorshallpark.co.uk/>

Managing agent

- **Priors Hall Park Management Ltd** is the management company that looks after and maintains all the communal greenspace in Priors Hall.
- Please refer to their website for full information on the services and price breakdown, contact details and FAQ section:

Ecology

The Biodiversity Strategy has been developed to provide biodiversity opportunities and enhancements within the development. There are several bird and bat boxes installed on site. Please speak to your Sales Consultant for more information on exact locations

This family-friendly development is ideally located for parents as it is next to the site allocated for a new primary school and also adjoins The Gulley – a nature reserve and wildlife site which runs through the wider development. This features an eight-acre lake and is home to over 76 species of birds and more than 17 species of butterfly.

The Gulley will provide all residents with a fabulous outside space to explore right on their doorsteps. The reserve will allow people to commune with nature, go for family strolls, walk the dog or just de-stress after a hard day at work.
