A UNIQUE SPECIFICATION

Every home comes thoughtfully designed and beautifully appointed with a high-quality standard specification that reflects our commitment to craftsmanship and comfort. From sleek, contemporary kitchens, to stylish bathrooms featuring modern fittings and elegant tiling, every detail has been carefully considered.

Energy-efficient heating systems, double-glazed windows, and superior insulation ensure your home is as practical as it is beautiful. With a focus on both form and function, our standard specification offers everything you need to move in and start enjoying your new lifestyle from day one.

- Fitted as standard - included in the property
- * Subject to stage of construction

This specification indicates, by means of a dot (■), the items that are included within the home. If there is no dot in a column, the item is not included. Any item not expressly listed or indicated within this specification is excluded from the standard build. For information on the Select upgrade options available depending on build stage, please speak with a sales consultant.

The availability of some items is subject to the stage of build, but our sales consultants will be happy to provide guidance every step of the way. The specification shown in this leaflet is correct at the time of going to press. Bovis Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details. Photographs depict a typical Bovis Homes interior and may include optional upgrades. For full details regarding current specification and finishes, for the plots you are interested in, please refer to our sales consultant.
