

KEEPING YOU UPDATED

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

OVERVIEW

- 128 private dwellings, 69 affordable dwellings of mixed tenure
- Play areas. 1 local equipped area of play located to the north of the site in front of plot 108 and 109
- Car charging – All homes started after June 2024 have car chargers
- Photo voltaic panelling (solar panels) – for all homes that fall under the 2021 building regulations (These are homes that were started after June 2023)

SITE ACTIVITY

- Continuing with housing production, private and affordable homes within the main central area of the site
- The site has all mains services connected, Gas/Water/Electric/BT.
- Streetlighting to the main spine road as noted above is outstanding.
- The Virgin team who are solely responsible for bringing this to site have confirmed, due to the amount of offsite works required by them, Virgin won't be on site for another circa 12 months

STRATFORD WEST RELIEF ROAD

SWRR (Stratford West Relief Road) which links A46 Bloor's development Wildmoor Road roundabout to Evesham road. This is a national highways scheme and is due to start in circa 12 months' time

TIMELINE

- 2 attenuation basins located at the Evesham Road – entrance to the site. These are installed and operational, they take the surface water for both the Bovis and Bloor developments
- Solar panels will be installed for all homes that fall under the 2021 building regulations (these are homes that were started after June 2023)

ECOLOGY

- There are bat tubes, sparrow terraces, swift boxes and bird homes to be installed on some homes across the development. These are denoted on the fence key plan
- Hedgehog highways are shown on the fence key plan, these are located within as many gardens as is feasible

MANAGING AGENT

- A Dandy Wren will be the managing agents for the Vistry development. Website and contact details below;
