

Wilton Gate

Site Update

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

As part of the development, we will also be providing:

- A country park
- A play park
- A monument viewing platform to view the spire
- Affordable housing for Wiltshire
- County Council and Aster
- An attenuation basin

Services

The current service providers are:

- British Gas (gas)
- British Gas (electric)
- IWNL (water)
- BT Openreach (broadband)

Wilton Gate,
off Netherhampton Road,
near Salisbury

Managing agent

The managing agent is Trinity and the management company is Wilton Gate Management Company Limited.

The development's first phase is due to be handed over to the managing agent by Autumn/Winter 2026 and you will receive additional communication from them directly.

Site activity and timeline

- The hoarding on the right as you enter is now being removed and is close to completion. We expect to take down the hoarding around the attenuation pond in summer 2026, once it is safe to do so. Persimmon will begin development from summer 2026, progressing alongside our own Phase 4 works.
- If you've been affected by the main road works, you'll be pleased to know they are now almost complete!

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
