

Development update

Issue 3 | Spring 2026

KEEPING YOU UPDATED

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

OVERVIEW

Bovis Homes is building a contemporary collection of new 4-bedroom homes. Our homes will include energy saving features such as solar panels, electric vehicle charging points and waste-water heat recovery systems.

RECOMMEND A FRIEND AND YOU COULD RECEIVE £500!*

Know someone who would love a new Bovis home? Introduce a friend to us and we'll give you £500 when they buy from us.

Please ask a sales consultant for details. Terms and conditions apply.

TIMELINE

- Our sales centre is open Thursday – Monday, 10am – 5pm. Visit our beautifully designed show homes, The Briar and The Maple. For more information, speak to our sales consultant Ali.
- First residents will be welcomed to their new homes at Woodlands in late Spring 2026.
- Infrastructure such as roads and footpaths endeavouring to provide access to the wider development features as quickly and as safely as possible.

BOVIS HOMES CUSTOMER SERVICES

Now you have moved into your brand-new Bovis Home, our helpful Customer Service experts are on hand to support and advise you with any queries you may have throughout your two-year Bovis Homes warranty period.

Our help is available 24 hours a day, 365 days a year, including weekends, bank holidays and the festive period. Please refer to your homeowner's manual for what constitutes an emergency.

HOW WILL THE DEVELOPMENT BENEFIT THE LOCAL COMMUNITY?

Bovis Homes will also support the local community by contributing towards over **£53 million** into local initiatives proposed to include:

- Public open spaces & children’s play areas
- Primary & Secondary education
- New community facilities
- Sports and Leisure facilities
- Improved public transport services
- Highway improvements
- Cycle routes

MANAGING AGENT

- Trinity (Estates) Property Management Limited is the managing agent for the development and will look after the public spaces across your development.
- There will be a phased handover to the managing agent for this development.

ECOLOGY

- Our homes benefit from EV charging points, PV solar panels and waste-water heat recovery systems.
- We are reducing the carbon that we produce through our timber-framed construction processes.
- Hedgehog highways and bat/bird boxes will be provided to attract wildlife to the site.
- We are providing dedicated ecological areas including planting trees.
