- Fibre network managed by BT and VM

DEVELOPMENT LAYOUT PLAN

The site plan shown on this page has been produced for home identification purposes only and is not to scale. The development layout, landscaping and tenure of all dwellings may be subject to change throughout the course of the development. Homes shown as "pre sold" and other properties sold on the general market may not be sold to individual owner occupiers and may instead be transferred to other purchasers, including private investors or affordable housing providers. As partner arrangements are agreed, the mix of tenures across a development can change significantly and rapidly. Finishes and materials may vary from those shown. Please check the details of your chosen plot and house type with the sales consultant. Development layout plan correct at time of production.

Please be aware that the dates and information provided are correct at time of print and are dependent on a number of factors, including weather, so are subject to change. Also note that the site plan referenced is the current phase of build, a more comprehensive site plan, detailing surrounding development, is available on request

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
