

Greenwell Park Development update

Issue 1 | [Summer 2024]

We wanted to provide you with a mini-update on the development and what you can expect from us over the coming months

Overview

Situated in Garforth, our new builds sit to the east of the vibrant city of Leeds and offer you a great place to call home. They have plenty of local amenities, superb transport links, as well as a range of schooling options nearby.

Our new housing development in Leeds has 2, 3, 4, and 5-bed options available, meaning there's a place for first time homeowners, growing families, and downsizers alike. Each home is built with energy efficiency in mind and has a contemporary design that looks stylish in every room.
